

Special Notice: 85 /2025-26

9.12.2025

To: Parents/Guardians,

Invitation to be a member of School Wellness Ambassador (2025/26)

We are pleased to inform you that your child has been selected to serve as a School Wellness Ambassador for the 2025/26 academic year.

In our commitment to promoting a healthy lifestyle and habits across the school and enhancing the well-being of all students, the School Wellness Ambassador team has been established this year.

The main responsibilities of the Wellness Ambassadors include assisting in the implementation of various campus health initiatives. These include:

- The "Lightening School Bag Programme" campaign, which encourages students to organize their school bags to reduce shoulder strain.
- The "Joyful Fruit & Veg Month," a large-scale event held each semester to help students learn about healthy eating habits.
- Other school-wide activities aimed at raising awareness about hygiene and health among students and parents.

We believe that serving as a Wellness Ambassador will help your child/ward develop self-esteem, responsibility, and confidence. We would be most grateful if you would allow your child/ward to join this team. Please complete the reply slip and return it to Ms Tsang Man-yea on or before 10.12.2025 (Wednesday).

Thank you for your kind attention.

Ms CHUI Sau-man
(Headmistress)
