Notice: 24/2025-26

20.1.2026

Dear Parents and Guardians,

Critical Reminder on Safe Road Crossing

This notice is issued following a serious safety hazard at dismissal time last week. A Primary 2 student ran off the pavement directly from a chaperone outside the school gate and was nearly hit by an oncoming taxi. Thankfully, the taxi driver reacted swiftly and swerved to avoid the child. This situation could have resulted in a very serious fatal accident.

The safety of your children is our utmost shared responsibility. While the school ensures students' safety on campus, to guarantee every student leaves school for home safely, we **URGENTLY REMIND** all parents, guardians, and domestic helpers to adhere strictly to the following:

1. **USE THE DESIGNATED ROAD CROSSING FACILITIES:** Always cross the road using the traffic light or pedestrian zebra crossing. Do not cross at any other point, especially directly outside the school gate where traffic is busy and visibility can be low. Please note that it is against the law to cross the road without using proper crossing facilities where available. Offenders are liable to prosecution and may face a fine of up to \$5,000.
2. **HOLD YOUR CHILD'S HAND:** Please ensure you have a firm hold of your child's hand, particularly from the moment you picked them up until you are safely across the road. Younger children can be impulsive and may suddenly pull away.
3. **MODEL AND INSIST ON SAFE BEHAVIOUR:** Teach and reinforce the "Stop, Look, Listen, and Think" routine before crossing the road. Do not allow children to run ahead onto the road or near the edge of the pavement.
4. **REMAIN ALERT AND DISTRACTION-FREE:** Avoid using mobile phones or electronic devices while walking and crossing. Your full attention must be on supervising the children in your care.
5. **FOLLOW INSTRUCTIONS:** Please cooperate with our school security personnel and any traffic wardens on duty. They are there to assist you.
6. **SAFE USE OF VEHICLES:** If you pick up your child by vehicle, please park your car in accordance with Hong Kong's traffic regulations and guidelines. A poorly parked car can create dangerous blind spots and lead to tragedy.

We will be reinforcing these safety messages with all students during assemblies and class time. However, your vigilance and cooperation outside the school gates are absolutely critical.

Let us work together to ensure that our school environment remains safe for everyone. A moment of haste or inattention can result in lifelong consequences.

Thank you for your immediate attention to this critical matter.

(Ms CHUI Sau-man)
Headmistress
