We are pleased to inform you that your daughter has been selected as one of our members in the school Brownie team (2024/25).

The team is under the guidance of the Hong Kong Girl Guides Association. Its chief objective is to help the girls to reach their full potential. To broaden their horizons, knowledge such as knot-making, home safety would be taught. To shape their positive character, a series of training and activities would be provided to help the girls to develop a sense of responsibility, to build up confidence and self-esteem.
